If you are joining between October 1st and December 31st, your first membership payment covers the remainder of the current year and also the coming year.

N.B. Please quote your Name as the reference for your payment.

Please note that becoming a standard member includes access to the bi-monthly bulletin, and opportunities to engage with the society and members, however it does **not** automatically allow contributions to exhibitions. To exhibit with ASMA, you must first apply for/have standard membership, then apply via a separate form. This involves submitting four images of your artwork, for review by a panel of fellows. They will adjudicate and provide feedback, and your application will be approved or denied depending on whether your work meets ASMA thematic and technical standards. If you have any questions regarding this process, please feel free to contact the Secretary.
